Elevate your experience with a Mercedes-Benz Winter Wheel and Tire Package!

When the mercury drops and winter's icy grip takes hold, don't let your Mercedes-Benz lose its legendary performance and safety. Upgrade your model with a Mercedes-Benz Winter Wheel and Tire Package to unlock the following benefits that will keep you confidently cruising through the coldest months:

Superior traction: Our winter tires are engineered with advanced rubber compounds and tread patterns to provide exceptional grip on snow and ice-covered roads.

Precise handling: Designed to complement the precision engineering of your Mercedes-Benz, our winter tires maintain responsive handling to ensure your vehicle stays firmly planted on slippery surfaces.

Enhanced safety: Winter tires reduce stopping distances, providing peace of mind during challenging winter conditions. Your safety is our top priority.

Protect your investment: By equipping your Mercedes-Benz with winter tires, you extend the lifespan of your all-season tires, saving you money in the long run.

Questions? Call 877-581-4093 for help finding the right package for your Mercedes-Benz.

Elevate your experience with a Mercedes-Benz Winter Wheel and Tire Package!

Winter is no match for the power and sophistication of your Mercedes-Benz SUV. Ensure it's always ready to conquer the coldest months with a Mercedes-Benz Winter Wheel and Tire Package. Discover the following extraordinary benefits that will keep you in control, no matter how challenging the winter conditions get:

Superior traction: Our winter tires are engineered to provide outstanding grip on snow and ice, allowing your Mercedes-Benz SUV to confidently tackle slippery roads.

Precise handling: Designed to complement the precise handling characteristics of your SUV, these tires maintain responsive control and stability, ensuring you remain firmly in command.

Enhanced safety: With reduced stopping distances, our winter tires significantly improve your vehicle's braking performance in winter conditions, offering you an extra layer of safety when you need it most.

Protect your investment: Equipping your Mercedes-Benz SUV with winter tires extends the lifespan of your all-season tires, saving you money in the long run and ensuring you get the most out of your investment.

Power up your electric vehicle with a Mercedes-Benz Winter Wheel and Tire Package!

Winter is no match for the cutting-edge performance and luxury of your Mercedes-Benz electric vehicle. Get ready to embark on a new season of driving excellence with a Mercedes-Benz Winter Wheel and Tire Package and enjoy these benefits:

Superior traction: Winter tires are meticulously engineered to provide exceptional grip on snowy and icy roads, ensuring your electric vehicle maintains peak efficiency and stability in challenging conditions.

Precise handling: Designed to complement your EV's precise handling, these tires deliver responsive control and confidence.

Enhanced safety: Shorter braking distances make our winter tires a must-have for your Mercedes-Benz EV, offering added security and peace of mind when the roads are less forgiving.

Protect your investment: Equipping your EV with winter tires not only enhances your safety but also extends the lifespan of your all-season tires, safeguarding your investment and maintaining your vehicle's efficiency.

Questions? Call 877-581-4093 for help finding the right package for your Mercedes-Benz.

Unleash the full potential of your AMG with a Mercedes-Benz Winter Wheel and Tire Package!

Winter driving should never mean compromising on performance or thrill. Elevate your AMG experience with a Mercedes-Benz Winter Wheel and Tire Package.
Unlock these benefits that will keep you dominating the road, even when the temperature drops:

Superior traction: Our AMG Winter Tire and Wheels are meticulously engineered to deliver unparalleled traction on snow and ice, ensuring your high-performance vehicle stays firmly planted.

Precise handling: Crafted to perfectly complement the dynamic handling of your AMG, these tires maintain responsiveness, ensuring you enjoy the exhilaration of driving at its best in any weather.

Enhanced safety: With shortened braking distances, our winter tires provide the peace of mind that comes from knowing your Mercedes-AMG will stop precisely when you need it to.

Protect your investment: Equipping your Mercedes-AMG with winter tires not only enhances your safety but also extends the lifespan of your all-season tires, protecting your investment and your performance.

Returns

- All participating dealers may return assemblies purchased through the program within 90 days of receipt. Returns cannot exceed 25% of total assembly purchases. Dealers are responsible for the freight to return them to the specified Dealer Tire distribution center.
- Dealers are to contact their account manager or MBUSA Tire Program Headquarters at 877.4MB.TIRE (877.462.8473) to determine what the ship-to address should be. All returns must never have been mounted on a vehicle and must be in “as new” condition (unopened/sealed box).
- Assemblies that have been classified as discontinued or obsolete may not be returned at any time. The MBUSA Tire Program reserves the right to inspect all returns prior to acceptance and may reject the return if they are found to be non-conforming to this policy in any way. Returned assemblies that do not meet these criteria will be returned to the dealer at their cost.
- Quantities are limited; assemblies are available while supplies last.
